

Introducing the Digital Portrait Package

In the digital world of 2012, we want to make the senior portrait experience as easy and economical as possible. To do this we have created the digital file package.

We will retouch ten portraits and burn them to a disk so you can use them and order them wherever you like. We will also put all of your portraits into an online gallery. At your convenience, you may order reprints from this gallery at greatly reduced prices.

Digital Portrait Package---\$200

Each Additional Retouched Portrait--\$15
